	TRANSIT CITY VAN
Electric Motor	
Maximum Power [1]	110kW
Maximum Torque [1]	260Nm
Transmission	
1-speed CVT	S
Column Gear Shifter	S
Driveline	
Wheelbase	SWB
Drivetrain	FWD
Selectable Drive Modes [2]:	
- Normal	S
- Eco	S
- Slippery	S
Fuel, Economy & Emissions	
CO_2 Emissions (g/km)	Nil
Fuel Type	BEV
WLTP Combined Range [3]	254km
WLTP Combined Energy Consumption [3]	238Wh/km
WLTP City Range [4]	380km
WLTP City Energy Consumption [4]	159Wh/km
Electric Vehicle - Battery & Charging	
Battery Type	LFP
Usable Battery	56kWh
DC Charging Time 10-80% [5]	33mins
Max DC Power	87kW
AC Charging Time 10-100% 7.4kW 1-phase [5]	8hrs
AC Charging Time 10-100% 11kW 3-phase [5]	5.5hrs
Max Speed	120 kph
One-Pedal Driving [6]	S
Charging Cable	—
Brakes	
Front and Rear Disc Brakes	S
Electric Parking Brake	S
Suspension & Steering	
Electric Power Assisted Steering	S
Front McPherson Independent Suspension	S
Rear Leaf Springs Suspension	S
Wheels	
Wheel Size	16"
Wheel Type	Steel Wheels with Wheel Cover
Tyre Size	215/65 R16C
Spare Wheel / Repair Kit	Temporary Mobility Kit (TMK)
Exterior Features	
Low Roof Line	S
Single Sliding Side Load Door (Left Hand Side - i.e. Kerbside)	S
Rear Twin Barn Doors Full Steel 180deg Hinged	S
Manual Fold, Electrically Adjustable, Non-Heated Mirrors	S
Mudflaps - Front & Rear	S
Black Plastic Rear Bumper	S
Black Exterior Door Handles	S
Seating	
Number of Seats	3
Cloth Seat Trim	S
Driver Seat - 6-Way Manual Adjust	S
Dual Front Passenger Seats - Fixed	S
Driver Heated Seat	S
Driver & Passengers Seat Occupancy Recognition	S
Lighting	
Auto Headlamp - On/Off	3
LED Daytime Running Lights	S
Halogen Headlights	S
Halogen Tail-lights	S
High Mounted Stop Lamp	S
Rear Fog Lamps	S
Cargo Compartment Light	S
Audio, Communication & Connectivity	
Colour Multi-Function Touch Screen Display - 12.3-inch	S
Colour Digital Instrument Cluster with Configurable Display - 7-inch	S
Speakers	2
FM Radio	S
Bluetooth® with Phone / Audio Streaming [7]	S
Steering Wheel Audio/Function Control	S
Apple CarPlay™ & Android Auto™ [8]	S
USB Interface - 2 Units	2
Auxiliary 12V Power Outlet - Instrument Panel	S
Digital Owners Manual	S
Ford App Connect [18]	n/a

	TRANSIT CITY VAN
Comfort & Convenience	
Manual Air Conditioner	S
Power Front Windows One Touch Down	S
Fixed Steering Column	S
Driver Footrest	S
Keyless Start	S
Cup Holder - Front	S
Front Door Storage with Bottle Holders	S
Loadspace Compartment	
Metal Bulkhead without window	S
Interior Load Area Trim - Half Height Walls	S
Load Area Floor Liner - PVC	S
Load Area Tie Down Loops	8
Load Area Compartment Light	S
Safety	
2 Airbags - Driver & Front Passenger	S
Driver Assistance [2]	
Dynamic Stability Control (DSC)	S
Traction Control System [2]	S
Adaptive Cruise Control with Stop & Go [9]	S
Forward Collision Warning [2]	S
Intelligent Speed Assistance [10]	S
Lane Keeping Aid with Lane Departure Warning [2]	S
Parking Sensors - Front & Rear [2]	S
Autonomous Emergency Braking (AEB) [11]	S
Rear View Camera [2]	S
Tyre Pressure Monitoring System	S
Anti-Lock Brake System (ABS) 2	S
Electronic Brakeforce Distribution (EBD) [2]	S
Auto Hold [2]	S
Driver Impairment Monitor [2]	S
Vehicle Masses [12] (kg)	
Gross Combined Mass	3,000
Gross Vehicle Mass	3,000
Front Gross Axle Weight Rating	1,330
Rear Gross Axle Weight Rating	1,780
Minimum Kerb Weight	1,915
Maximum Payload (based on Min Kerb Weight)	1,085
Exterior Dimensions [13] (mm)	
Overall Length	4,985
Overall Width Excluding Exterior Mirrors	1,885
Overall Height at Kerb Weight [12]	1,991
Wheelbase	3,060
Front of Vehicle to Front Wheel Centre	810
Rear of Vehicle to Rear Wheel Centre	1,115
Width - Side Door Opening	960
Height - Side Door Opening	1,278
Width - Rear Door Opening	1,445
Height - Rear Door Opening	1,235
Turning Circle (m)	
Kerb to Kerb turn Diameter	12.62
Load Area Dimensions [14] (mm)	
Width - Load Space Between Wheel Arches	1,300
Height - Load Space Floor to Roof	1,468
Height - Rear Loading Height [15]	545
Length - Upper Cargo	2,470
Length - Load Space Maximum (Up to Bulkhead)	2,620
Maximum Load Volume (with Bulkhead) (cu.m) [16]	6.4
Load Space VDA (with Bulkhead) (cu.m) [17]	5.75
Euro Pallet Capacity (1,200mm x 800mm)	3
Towing	
Maximum Braked Towing Capacity (kg)	n/a
Trailer Tow Electrics	n/a
Exterior Colours	
Frozen White	O
Ingot Silver Metallic	O
Blue Panther	O
Panther Black	O
Broom Yellow	O
Ford Benefits	
Warranty - 5 years or 150,000km, whichever comes first [19]	S
High Voltage Warranty - 8 years or 160,00km, which ever comes first [19]	S
Service Intervals - 30,000kms / 12 months, which ever comes first or as indicated by the Vehicle display	S
Ford Roadside Assistance - up to 5 years, unlimited kms [20]	S

Key Features

An electric van built for the day's work.

Range (WLTP Combined)	Max payload	Max load volume
254 km	**1,085 kg**	**6.4 m³**

Charging

33 minutes and you're off

A 56kWh battery that charges from 10% to 80% in about 33 minutes on an 87kW DC charger, or from 10% to 100% in about 8 hours at home on a 7.4kW AC charger. Full and ready by morning.

Technology

Tech that earns its keep

Everything you need on a 12.3-inch screen you can read at a glance. Plug in for Apple CarPlay™ or Android Auto™, and your phone's right there.

Running costs

More uptime, lower costs

An electric drivetrain has less to service and nothing to fuel.

Technology

Smart where it counts

*Actual display format may vary to image shown.

Reversing

Rear view camera

No rear-view mirror in a van. No problem. The rear-view camera's got your back, right on the screen, with guide lines for the reverse.

Parking

Front & rear sensors

Tight loading zones and city kerbside bays are no drama. Sensors front and back help catch what you can't see, quickening as you close in.

12.3-inch touchscreen

Connect Apple CarPlay™ or Android Auto™ and you'll have everything you need. Traffic updates, directions, calls and your favourite tunes.

Heated driver's seat

The heated driver's seat takes the edge off a cold start, so you're comfortable before the first drop.

Keyless start

Keep the fob in your pocket and go. Handy when your hands are full, which on a work day is most of the time.

Choose your colour

Frozen White

Ingot Silver

Blue Panther

Panther Black

Broom Yellow

Disclaimers

1. Calculated via peak performance of the electric motor(s) at peak battery power. Individual results may vary. **2.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. **3.** Estimated range using Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown are for comparability purposes and should only be compared with other vehicles tested to the same technical procedures. Actual range varies with conditions such as external elements like temperature, driving behaviours, route profile, vehicle maintenance, and lithium-ion battery age and condition. WLTP Overall Range reflects a combined driving cycle. This test is conducted in controlled conditions with an ambient temperature of 23 degrees Celsius and no climate or electrical load. **4.** Based on a full charge. Estimated WLTP City Range is calculated using the Low and Medium speed phases of the Worldwide Harmonised Light Vehicle Test Procedure (WLTP) test cycle. Figures shown are for comparability purposes only and should only be compared with other vehicles tested to the same technical procedures. Actual range varies with conditions such as external elements like temperature, driving behaviours, route profile, vehicle maintenance, and lithium-ion battery age and condition. This test is conducted in controlled conditions with an ambient temperature of 23 degrees Celsius and no climate or electrical load. **5.** Charging times may vary. Charging rate and time are dependent on battery state of charge, charger output, battery temperature and ambient temperature. **6.** One pedal drive is an extra driving aid. It does not replace the driver's attention and judgement,or the need to apply the brakes. **7.** Bluetooth® is a registered trademark of Bluetooth SIG, Inc. and is under license. Some phones not compatible. **8.** Apple CarPlay™ / Android Auto™ requires phone with compatible version of Apple iOS™ / Android™ (as applicable) and active data service. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. **9.** The Stop & Go functionality of this system operates as low as 0km/hr in traffic jam situations. Customers should read the Owner's Manual for full details and limitations of the ACC system before activating the system. **10.** Intelligent Speed Assist (ISA) uses various data to limit the set speed of the vehicle to the speed limit detected by the system. The ISA system will not always detect the correct speed limit and may limit a vehicle speed above or below the actual speed limit. ISA can be temporarily overridden by the driver firmly pressing the accelerator. In some circumstances, ISA will use map data to limit the vehicle speed. Ford recommends keeping map data updated to help ensure optimal system performance. Customers should read the Owner's Manual for details of the limitations of the ISA system before activating. **11.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Autonomous Emergency Braking detects pedestrians, but not in all conditions, and can help avoid or reduce a collision. Intersection Assist does not detect all vehicles in intersection, pedestrians or cyclists. These do not replace safe driving. See Owner's Manual for Limitations. **12.** Kerb Weight includes the vehicle with a full tank of fuel, without occupants, luggage or cargo and with the heaviest possible combination of factory fitted optional equipment included. Minimum Kerb Weight includes the vehicle with a full tank of fuel, without occupants, luggage or cargo and with the lightest possible orderable combination of factory fit equipment. Tare Weight includes the vehicle with 10L of fuel, without occupants, luggage or cargo and with the heaviest possible combination of factory fitted optional equipment included. All payloads are calculated by deducting either the vehicle's Kerb Weight, Minimum Kerb Weight or Tare Weight from its Gross Vehicle Mass (GVM). Payload (based on Kerb Weight) is the maximum combined value of occupants, cargo, added accessories, added structures and tow ball download (when towing). Vehicle weights are approximate and subject to individual variances. Vehicles should be weighed before and after adding additional load, accessories or towing a trailer to ensure the maximum Gross Vehicle Mass (GVM), Gross Combined Mass (GCM) and Gross Axle Weight Ratings are not exceeded. **13.** Vehicle dimensions are approximate and subject to individual vehicle variances, and should be confirmed before fitting any accessories or otherwise relying on this value. **14.** Vehicle dimensions are approximate and subject to individual vehicle variances, and should be confirmed before fitting any accessories or otherwise relying on this value. Load Area Protection Kit may impact cargo area dimensions and capacities. **15.** Height dimensions show a range from min. to max. of a fully laden, lowest payload vehicle to unladen highest payload vehicle. All dimensions (shown in mm) are approximate, are subject to manufacturing tolerances, do not include additional equipment and should be confirmed before fitting any accessories or otherwise relying on this value. **16.** Maximum load volume method simply measures the volume of a fine-grained material such as sand or rice which can be deposited into the loadspace. Load Area Protection Kit may impact cargo area dimensions and capacities. **17.** VDA is the method determined by filling the load space with 'litre' blocks, each measuring 200×100×50mm. The blocks are then counted and the numerical result is converted into cubic meters. **18.** Use of Ford App is subject to the Ford App Terms and Privacy Policy available on ford.co.nz/FordApp and requires a compatible Ford vehicle, compatible mobile device, internet access and software (including software updates from time to time). Ford App functionality and appearance may change over time due to software updates. You are responsible for internet access, mobile network data and voice call services required for your use of the Ford App on your mobile device, including associated fees. The Ford App and Ford App Connect modem can only work when both are connected to the telecommunications network. The Ford App Connect modem will only function on the 4G or 5G telecommunications networks. When these networks are no longer available, the modem will stop functioning and the connected services and all data transmission via the modem will cease. Ford cannot guarantee that Ford App will be in fully operating condition at all times and the Ford App may be unavailable or particular Ford App services interrupted. Ford is not responsible for any limitations or restrictions of the telecommunications network or of your mobile device. Use Remote Vehicle Start and Stop responsibly and only in well ventilated areas where you are aware of your vehicle's surroundings. **19.** Warranty conditions apply. For full details please visit our Warranties page at: https://www.ford.co.nz/owners/warranties. **20.** For vehicles sold on or after 1 June 2026: All new vehicles sold on or after 1 June 2026 will be eligible for 5 years, unlimited kilometres, of roadside assistance when servicing with a Ford Dealership to support worry-free motoring for the first 5 years of ownership of your new vehicle.

FORD BENEFITS[1]

- Service Loan Car[2]
- Ford Roadside Assistance[2]
- Vehicle Health Report
- Genuine Ford Parts
- Peace Of Mind Service Inspection

Ford Benefits Our commitment to you

Convenience. Reliability. And no nasty surprises. That's what service should be. And that's exactly what Ford promises when you have your car serviced. Feel at ease knowing that your car is being serviced by factory trained technicians using specialised diagnostic equipment. After all, nobody knows your Ford better than we do.

Service Made Easy

When you service at Ford with our factory trained technicians, your peace of mind is our top priority. We use only Genuine Ford Parts and provide you with a vehicle health report, so you know your vehicle is being maintained the way it should. Discover the full range of Ford Service Benefits by visiting www.ford.co.nz/owners/service

1. Warranty conditions and exclusions apply. 5 year/150,000 km Ford Express New Vehicle Warranty applies to demonstrator, dealership and service loaner first registered by the Authorised Ford Dealer from 1 September 2018. Warranty period commences on the date of delivery except where the vehicle is a dealership, demonstration or service loaner vehicle, in which case it commences on the date on which it was first registered by an Authorised Ford Dealer. Tyres and tyre tubes are excluded. Shock absorbers and batteries are subject to shorter warranty periods. See www.ford.co.nz/owners/warranty for further information.
2. Is available at participating Dealers. See www.ford.co.nz/owners/service for full terms and conditions. Vehicle model availability may vary. Available at participating dealers on scheduled logbook services or overnight warranty repairs. For private, business and fleet customers. Booking required. Participating Dealers may require customers to comply with general usage conditions.

This brochure was designed to provide you with a general introduction to your Transit and Tourneo Custom and was correct at time of going to print. However, Ford's policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer.
