Disclaimers

1. Driver-assist features are supplemental and do not replace the driver's attention, judgment and ability to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. 2. Kerb Weight includes the vehicle with a full tank of fuel, without occupants, luggage or cargo and with the heaviest possible combination of factory fitted optional equipment included. Minimum Kerb Weight includes the vehicle with a full tank of fuel, without occupants, luggage or cargo and with the lightest possible orderable combination of factory fit equipment. Tare Weight includes the vehicle with 10L of fuel, without occupants, luggage or cargo and with the heaviest possible combination of factory fitted optional equipment included. All payloads are calculated by deducting either the vehicle's Kerb Weight, Minimum Kerb Weight or Tare Weight from its Gross Vehicle Mass (GVM). Payload (based on Kerb Weight) is the maximum combined value of occupants, cargo, added accessories, added structures and tow ball download (when towing). Vehicle weights are approximate and subject to individual variances. Vehicles should be weighed before and after adding additional load, accessories or towing a trailer to ensure the maximum Gross Vehicle Mass (GVM), Gross Combined Mass (GCM) and Gross Axle Weight Ratings are not exceeded. 3. Vehicle dimensions are approximate and subject to individual vehicle variances, and should be confirmed before fitting any accessories or otherwise relying on this value. 4. Use of FordPass is subject to the FordPass Terms and Privacy Policy available on ford.com.au/fordpass and requires a compatible mobile device, internet access and software (including software updates from time to time). FordPass functionality and appearance may change over time due to software updates. You are responsible for internet access, mobile network data and voice call services required for your use of the FordPass App on your mobile device, including associated fees. The FordPass App and FordPass Connect modem can only work when both are connected to the telecommunications network. The FordPass Connect modem will only function on the 3G or 4G telecommunications networks. When these networks are no longer available, the modem will stop functioning and the connected services and all data transmission via the modem will cease. Ford cannot guarantee that FordPass will be in fully operating condition at all times and the FordPass App may be unavailable or partial FordPass services interrupted. Ford is not responsible for any limitations or restrictions of the telecommunications network or your mobile device. Use Remote Vehicle Start and Stop responsibly and do not ventilate areas where you are aware of your vehicle's surroundings. 5. Bluetooth® is a registered trademark of Bluetooth SIG, Inc. and is under license. Some phones not compatible. Eligible vehicles receive Connected Navigation Services for 1 year from the Ford Express New Vehicle Warranty start date, after which time the Connected Navigation Services may cease to be available, or may be subject to a subscription fee. To Use Connected Navigation Services, users must have created a FordPass App account (terms apply), have fully activated the vehicle's FordPass Connect modem and have SYNC Location set to 'on'. 7. Don't drive distracted. Use voice operated systems where possible and don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all SYNC features are compatible with all phones. SYNC screen appearance and functionality may change over time due to software updates. 8. Apple CarPlay™/Android Auto™ requires compatible phone with compatible version of Apple iOS/Android™ (as applicable) and active data service. SYNC does not control Apple CarPlay™/Android Auto™ while in use. Apple/Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford Applink® is available on selected SYNC models and is compatible with select smartphone platforms. 9. The iACC system will not always detect the correct speed limit and may set a vehicle speed that is above or below the actual speed limit. If the system does this, it can be overridden by the driver applying the brake or accelerator. The Stop and Go functionality of this system operates as low as 0km/h in traffic jam situations. Customers should read the Owner's Manual for full details of the limitations of the iACC system before activating the system. 10. Maximum towing capacity-braked To comply with these limits, occupants and / or luggage may need to be restricted to not exceed the GCM and GVM limits. For further details regarding passenger and luggage restrictions, please consult your authorized Ford Dealer and / or refer to the Owner's Manual. 11. Warranty conditions apply. 5 year/150,000 km Ford Express New Vehicles Warranty applies to new, demonstrator and service loaner vehicles. For full details please visit our Warranties page at: <https://www.ford.com.au/owners/warranties>. 12. PSV compliance fitout is done locally to meet NZTA PSV requirements.

Peace Of Mind Service Inspection

Ford Service Our commitment to you

Convenience. Reliability. And no nasty surprises. That's what service should be. And that's exactly what Ford promises when you have your car serviced. Feel at ease knowing that your car is being serviced by factory trained technicians using specialised diagnostic equipment. After all, nobody knows your Ford better than we do.

Service Made Easy

When you service at Ford with our factory trained technicians, your peace of mind is our top priority. We use only Genuine Ford Parts and provide you with a vehicle health report, so you know your vehicle is being maintained the way it should. Take advantage of all the Ford Service Benefits on offer.

Intelligent Oil Life Monitoring System (IOLM). The way you drive can have a significant impact on how quickly your oil is used. IOLM is a smart system that monitors oil levels and alerts you when the oil needs changing. Discover the full range of Ford Service Benefits by visiting www.ford.co.nz/owners/service.

1. Warranty conditions and exclusions apply. 5 year/150,000 km Ford Express New Vehicle Warranty applies to demonstrator, dealership and service loaner first registered by the Authorised Ford Dealer from 1 September 2018. Warranty period commences on the date of delivery except where the vehicle is a dealership, demonstration or service loaner vehicle, in which case it commences on the date on which it was first registered by an Authorised Ford Dealer. Tyres and tyre tubes are excluded. Shock absorbers and batteries are subject to shorter warranty periods. See www.ford.co.nz/owners/warranty for further information.
2. Is available at participating Dealers. See www.ford.co.nz/owners/service for full terms and conditions. Vehicle model availability may vary. Available at participating dealers on scheduled logbook services or overnight warranty repairs. For private, business and fleet customers. Booking required. Participating Dealers may require customers to comply with general usage conditions.

This brochure was designed to provide you with a general introduction to your Transit Cargo Bus and was correct at time of going to print. However, Ford's policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer.
