

Disclaimers
1. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. **2.** Kerb Weight includes the vehicle with a full tank of fuel, without occupants, luggage or cargo and with the heaviest possible combination of factory fitted optional equipment included. Minimum Kerb Weight includes the vehicle with a full tank of fuel, without occupants, luggage or cargo and with the lightest possible orderable combination of factory fit equipment. Tare Weight includes the vehicle with 10L of fuel, without occupants, luggage or cargo and with the heaviest possible combination of factory fitted optional equipment included. All payloads are calculated by deducting either the vehicle's Kerb Weight, Minimum Kerb Weight or Tare Weight from its Gross Vehicle Mass (GVM). Payload (based on Kerb Weight) is the maximum combined value of occupants, cargo, added accessories, added structures and tow ball download (when towing). Vehicle weights are approximate and subject to individual variances. Vehicles should be weighed before and after adding additional load, accessories or towing a trailer to ensure the maximum Gross Vehicle Mass (GVM), Gross Combined Mass (GCM) and Gross Axle Weight Ratings are not exceeded. **3.** Vehicle dimensions are approximate and subject to individual vehicle variances, and should be confirmed before fitting any accessories or otherwise relying on this value. **4.** Use of Ford App is subject to the Ford App Terms and Privacy Policy available on [ford.co.nz/FordApp](https://www.ford.co.nz/FordApp) and requires a compatible mobile device, internet access and software (including software updates from time to time). Ford App functionality and appearance may change over time due to software updates. You are responsible for internet access, mobile network data and voice call services required for your use of the Ford App on your mobile device, including associated fees. The Ford App and Ford App Connect modem can only work when both are connected to the telecommunications network. The Ford App Connect modem will only function on the 4G or 5G telecommunications networks. When these networks are no longer available, the modem will stop functioning and the connected services and all data transmission via the modem will cease. Ford cannot guarantee that Ford App will be in fully operating condition at all times and the Ford App may be unavailable or particular Ford App services interrupted. Ford is not responsible for any limitations or restrictions of the telecommunications network or of your mobile device. Use Remote Vehicle Start and Stop responsibly and only in well ventilated areas where you are aware of your vehicle's surroundings. **5.** Bluetooth® is a registered trademark of Bluetooth SIG, Inc. and is under license. Some phones not compatible. **6.** Eligible vehicles receive Connected Navigation Services for 1 year from the Ford Express New Vehicle Warranty start date, after which time the Connected Navigation Services may cease to be available, or may be subject to a subscription fee. To use Connected Navigation Services, users must have created a Ford App account (terms apply), have fully activated the vehicle's Ford App Connect modem and have SYNC Location set to 'on'. **7.** Don't drive distracted. Use voice operated systems where possible and don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all SYNC features are compatible with all phones. SYNC screen appearance and functionality may change over time due to software updates. **8.** Apple CarPlay™/Android Auto™ requires compatible phone with compatible version of Apple iOS/Android™(as applicable) and active data service. SYNC does not control Apple CarPlay™/ Android Auto™ while in use. Apple/Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford App link® is available on selected SYNC models and is compatible with select smartphone platforms. **9.** The iACC system will not always detect the correct speed limit and may set a vehicle speed that is above or below the actual speed limit. If the system does this, it can be overridden by the driver applying the brake or accelerator. The Stop and Go functionality of this system operates as low as 0km/hr in traffic jam situations. Customers should read the Owner's Manual for full details of the limitations of the iACC system before activating the system. **10.** Maximum towing capacity-braked. To comply with these limits, occupants and / or luggage may need to be restricted to not exceed the GCM and GVM limits. For further details regarding passenger and luggage restrictions, please consult your authorized Ford Dealer and / or refer to the Owner's Manual. **11.** Warranty conditions apply. 5 year/150,000 km Ford Express New Vehicles Warranty applies to new, demonstrator and service loaner vehicles. For full details please visit our Warranties page at: <https://www.ford.co.nz/owners/warranties> **12.** Fuel and Battery Range consumption and emissions as per WLTP3 (combined cycle) and to be used for vehicle comparison purposes only. It is unlikely that these fuel and battery consumption and emissions figures will be achieved in real world driving conditions. Actual fuel and battery consumption and emissions will depend on many factors including the driver's habits, prevailing conditions and the vehicle's equipment, options and accessories, condition and use.
