## Ford Service Our commitment to you

Convenience. Reliability. And no nasty surprises. That's what service should be. And that's exactly what Ford promises when you have your car serviced. Feel at ease knowing that your car is being serviced by factory trained technicians using specialised diagnostic equipment. After all, nobody knows your Ford better than we do.

### Service Made Easy

When you service at Ford with our factory trained technicians, your peace of mind is our top priority. We use only Genuine Ford Parts and provide you with a vehicle health report, so you know your vehicle is being maintained the way it should. Take advantage of all the Ford Service Benefits on offer.

Intelligent Oil Life Monitoring System (IOLM). The way you drive can have a significant impact on how quickly your oil is used. IOLM is a smart system that monitors oil levels and alerts you when the oil needs changing. Discover the full range of Ford Service Benefits by visiting [ford.co.nz/owners/service](http://ford.co.nz/owners/service).

### Five Year Unlimited Kilometre Warranty

Covers your new Ford Mustang vehicle against defects in factory materials or workmanship for the first 60 months<sup>1</sup>.

For details about this warranty

please visit: [www.ford.co.nz/owners/warranty](http://www.ford.co.nz/owners/warranty)

### Ford Roadside Assistance<sup>2</sup>

For the first 36 months (unlimited kms), Ford gives Mustang owners complete peace of mind motoring with New Zealand's most reassuring roadside emergency service. Free accommodation or a free rental car are just some of the outstanding features of this unique service.

## Service Experience

Speak to your participating Ford Dealer today about how we can help you make the most out of your vehicle experience.

### Service Intervals<sup>2</sup>

The scheduled service interval is not due until an Intelligent Oil-Life Monitor notification 'OIL CHANGE REQUIRED', 15,000 km or 12 months in service, whichever occurs first.

### Electronic Vehicle Report Card

When you bring your Ford in for a service, your participating Dealer<sup>3</sup> will complete an electronic vehicle report card that gives you a straight-forward indication of what we looked at, and what might need looking at in the future.

If we notice something needs attention, we'll text you while your car is up on the hoist. We will share photos to help explain what needs work. If you agree, we can get to work straight away and save you a follow-up visit another day.

### Loan Car Programme<sup>4</sup>

So we can keep you on the road when you're getting a scheduled service you can take advantage of our Loan Car Programme.

### Ford Customer Assistance Centre

You'll always find us responsive to your needs. Telephone 0800 FORD NZ (0800 367 369). T&Cs apply.

## Finance and Lease Options

Choosing how to finance your vehicle is a major decision. My Ford Finance can get you the Ford you want, when you want it. Fully maintained or non-maintained operating leases remove the worry of depreciation, inflation and, more importantly, do not tie up your capital in an asset. Other forms of financing are also available. Flexible deposits and repayment terms mean that a plan can be structured for your specific needs. See your Ford Dealer to discuss your financing or leasing requirements.
