Escape ST-Line Model shown.

Escape ST-Line X PHEV Model shown.

Wireless Charging

The interior of the Escape is designed to maximise space and convenience. Hassle-free wireless charging is available for compatible smartphones so you won't have to remember your phone charger cord again.

Adaptive Cruise Control with Stop & Go

Long distances made easy with Escape. Set your cruising speed and automatically maintain a fixed distance from the vehicle in front with the press of a button. Radar sensors scan the road ahead, if they sense that traffic slows, so does the Escape. Once the traffic clears, it returns to your pre-set speed^{2,3}. Enjoy the journey.

Flexible Seating Adapts To Your Needs

The Escape is designed to be ready for anything. A dynamic new interior design gives you ultimate freedom and adapts to every journey. Need more boot-space for a big trip or prefer the luxury of extra legroom in the back? Flexible rear seating slides forward or backward to suit your needs, so you can focus on where you're going rather than what you'll need to leave behind.

Premium Sound System (B&O PLAY)

Whatever your taste in music, it deserves to sound as the artist intended. The advanced 10-speaker⁵, 575-watt set-up has been specifically developed and fine-tuned for your Escape ST-Line X by specialist B&O sound engineers. So, turn it up and enjoy your favourite bands and songs in the concert hall that is your car's cabin.

Power To Do More

Choose between Escape's Hybrid or Plug-In Hybrid engine options that allow for maximum power with incredible efficiency. Save on fuel while you enjoy all the low-end torque you could ever need for a family adventure.

Plug-In Hybrid, The Best of Both Worlds

Wherever the destination, the Escape Plug-in Hybrid uses two sources of power to get you there more efficiently. For longer journeys, the conventional combustion engine ensures you can go as far as you need to, using power split technology to help recharge the Hybrid battery as you drive. While energy captured through regenerative braking also helps to extend your electric range.

Overseas ST-Line X PHEV model shown.

WELCOME TO THE WORLD OF FORD CONNECTIVITY

Every Escape will arrive fitted with an embedded modem. Using the FordPass App on your mobile device¹, you can locate your vehicle¹¹, lock and unlock the doors, and even start the engine remotely to heat or cool the cabin to the last known setting¹².

THE ACCESSORY TO ADVENTURE

Sleek and spacious, Ford Escape is a SUV built for adventure. Adaptive cruise control with stop and go^{2,3} helps tackle long distances with ease, while SYNC^{®3} infotainment system⁶ and wireless charging keeps you connected to what matters back home. With FordPass Connect¹, your Escape can help you avoid traffic with live traffic updates⁷. Powerful and energy efficient, the Escape takes you as far as the road will go. Access more of the every day.

The World At Your Fingertips

Sophisticated and intuitive, the SYNC^{®3} Infotainment System⁶ ensures you remain safely connected while you drive. Use voice commands to find your nearest restaurant, make hands-free phone calls and listen to text messages. Seamlessly integrate your compatible smartphone through Apple CarPlay, Android Auto[™] or Applink[®] for hands-free control of your favourite apps^{8,9}.

Technology with Purpose

Replacing the conventional shifter is an Electronic Shifter. This slim design offers a sleeker interior and makes accessing the console and controls easier than ever. Plus, the sharp new 12.3-inch digital cluster on Escape ST-Line¹⁰ enables you to display the features that suit you best while you are driving. It may even help reduce driver distraction by showing only the information you need.

2.5L Hybrid

1. Use of FordPass is subject to the FordPass Terms and Privacy Policy and the Connected Vehicle Terms and Privacy Policy available on ford.co.nz/fordpass and requires a compatible mobile device, internet access and software (including software updates from time to time). You are responsible for internet access, mobile network data and voice call services required for your use of the FordPass App on your mobile device, including associated fees. The FordPass App and FordPass Connect modem can only work when both are connected to the telecommunications network. Ford cannot guarantee that FordPass will be in fully operating condition at all times and the FordPass App may be unavailable or particular FordPass services interrupted. Ford is not responsible for any limitations or restrictions of the telecommunications network or of your mobile device. **2.** ACC has a minimum operating speed of 30km/h. The Stop & Go functionality of this system operates as low as 0km/hr in traffic jam situations. **3.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate in some driving and road conditions (including at certain speeds) or adverse weather. **4.** Power Tailgate is available as standard on the Escape ST-Line X only. **5.** B&O PLAY 10 Speaker Audio System is available as standard on the Escape ST-Line X only. **6.** Not all SYNC[®] and SYNC[®]3 features are compatible with all phones. For compatibility, see ford.co.nz/sync. **7.** Live traffic updates included with FordPass Connect for three years, commencing on the Ford Express New Vehicle Warranty start date. **8.** Apple CarPlay / Android Auto requires phone with compatible version of Apple iOS / Android™ (as applicable), active data service, and connection cable (sold separately). SYNC[®] does not control Apple CarPlay / Android Auto while in use. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford Applink[®] is available on selected SYNC[®] models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. **9.** Bluetooth[®] is a registered trademark of Bluetooth SIG, Inc. and is under license. Some phones not compatible. **10.** 12.3-inch digital cluster is available as standard on the Escape ST-Line and Escape ST-Line X only. **11.** Vehicle Locator only available when Vehicle Location setting is on. **12.** Use Remote Vehicle Start and Stop responsibly and only in well ventilated areas where you are aware of your vehicle's surroundings. **13.** Fuel consumption & emission WLTP3 figures are a conversion value based on NEDC combined test results. Fuel consumption and CO2 emissions are specified for a vehicle type and not for a single vehicle. The applied standard test procedure enables a comparison between different vehicle types; the specification and options selected may have an effect i.e. on vehicle weight and therefore on the emissions and fuel economy of the vehicle and also may influence the figures that appear in the individual vehicle documentation. This information is not part of any product offer made. Real world fuel consumption can vary as the fuel efficiency of a vehicle is influenced by (individual) vehicle configurations, driving behaviour, use of technical equipment such as air conditioning, as well as other non-technical factors. **14.** AEB with Pedestrian and Cyclist Detection operates at speeds between 5km/h and 80km/h. **15.** Maximum braked towing capacity when fitted with a genuine Ford Tow Pack. Further weight restrictions apply, please consult your authorised Ford Dealer and/or refer to the Owner's Manual for guidance.

FORD SERVICE

Our Commitment to You

Convenience. Reliability. And no nasty surprises. That's what service should be. And that's exactly what Ford promises when you have your car serviced. Feel at ease knowing that your car is being serviced by factory trained technicians using specialised diagnostic equipment. After all, nobody knows your Ford better than we do.

Five Year Unlimited Kilometre Warranty

Covers your new Ford Escape vehicle against defects in factory materials or workmanship for the first 60 months¹. For details about this warranty please visit: www.ford.co.nz/owners/warranty

Ford Roadside Assistance²

For the first 36 months (unlimited kms), Ford gives Escape owners complete peace of mind motoring with New Zealand's most reassuring roadside emergency service. Free accommodation or a free rental car are just some of the outstanding features of this unique service.

Service Experience

Speak to your participating Ford Dealer today about how we can help you make the most out of your vehicle experience.

20,000 kms Service Intervals²

Improved oil technology and engineering refinement has enabled Ford to offer normal scheduled service intervals of 20,000 kms or every 12 months, whichever comes first.

Loan Car Programme⁴

So we can keep you on the road when you're getting a scheduled service you can take advantage of our Loan Car Programme.

Sat Nav Map Updates³

Never lose your way again with the latest map data for your Satellite Navigation system. If your vehicle has SYNC[®] 2 or SYNC[®] 3 with Satellite Navigation, you'll receive yearly map updates until September 2024 with your scheduled servicing.

Ford Customer Assistance Centre

You'll always find us responsive to your needs. Telephone 0800 FORD NZ (0800 367 369).

Finance and Lease Options

Choosing how to finance your vehicle is a major decision. My Ford Finance can get you the Ford you want, when you want it. Fully maintained or non-maintained operating leases remove the worry of depreciation, inflation and, more importantly, do not tie up your capital in an asset. Other forms of financing are also available. Flexible deposits and repayment terms mean that a plan can be structured for your specific needs. See your Ford Dealer to discuss your financing or leasing requirements.

1. Warranty conditions and exclusions apply. 5 year/Unlimited km Ford Express New Vehicle Warranty applies to new, demonstrator, dealership and service loaner vehicles. Warranty period commences on the date of delivery except where the vehicle is a dealership, demonstration or service loaner vehicle, in which case it commences on the date on which it was first registered by an Authorised Ford Dealer. Tyres and tyre tubes are excluded. Shock absorbers and batteries are subject to shorter warranty periods. www.ford.co.nz/owners/warranty for further information.
2. Conditions apply. Further information on these warranties and services may be obtained from your Authorised Ford Dealer.
3. Available annually at participating dealers with scheduled logbook services for up to 7 years (but no later than 30 September 2024). For private, business and fleet customers. For vehicles fitted with SYNC[®]2 or SYNC[®]3 satellite navigation.
4. Vehicle model availability may vary. Available at participating dealers on scheduled logbook services or overnight warranty repairs. For private, business and fleet customers. Booking required. Participating Dealers may require customers to comply with general usage conditions.

This brochure was designed to provide you with a general introduction to your Escape and was correct at time of going to print. However, Ford's policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer.
