Transit 350 LWB high-roof shown in Moondust Silver.

Transit 350 LWB shown in Moondust Silver.

Transit 430 chassis Cab shown in Moondust Silver with fitted load tray. ** Fitted load tray not available.

Transit 350 LWB shown in Frozen White.

WELCOME TO YOUR NEW OFFICE

The spacious, redesigned interior with its new instrument panel and high quality ergonomic design puts you comfortably in control. A new 8" touchscreen at the heart of the fascia supports pinch and swipe gestures and delivers a range of information, entertainment and navigation, as well as voice control. Also, when you have room to store everything you need, you'll find plenty of easily accessible stowage space too.

350 LWB interior shown.

Notes

Pre-Collision Assist with Pedestrian Detection³
Using radar and a camera, the system is designed to detect other vehicles and pedestrians and can alert you to a potential collision.

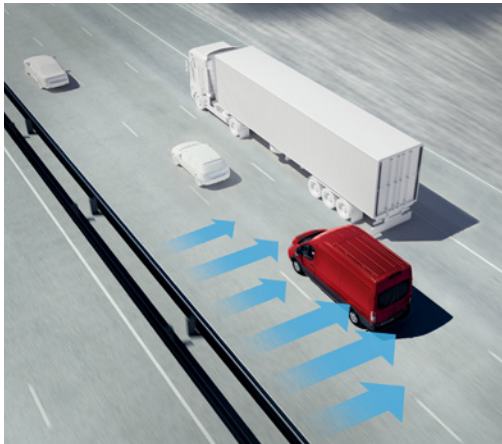

Adaptive Cruise Control³
Cruise on the motorway with ease. This system modifies your cruise control speed based on the vehicle ahead. If it senses that traffic slows and speeds up.

Blind Spot Information System³
As another vehicle – a car, ute or van – enters your blind spot whilst travelling, the system is designed to alert you with a warning light clearly displayed in the corresponding door mirror (Van models only).

Rear camera with LED downlighter³
A high level rear-view camera with LED downlighter offers a wider aspect while reversing, and illuminates the area behind the vehicle for improved visibility in poor conditions (Van models only).

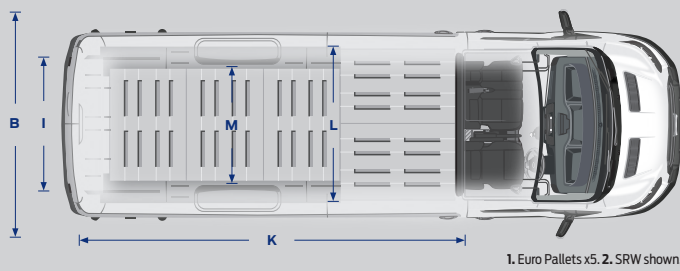

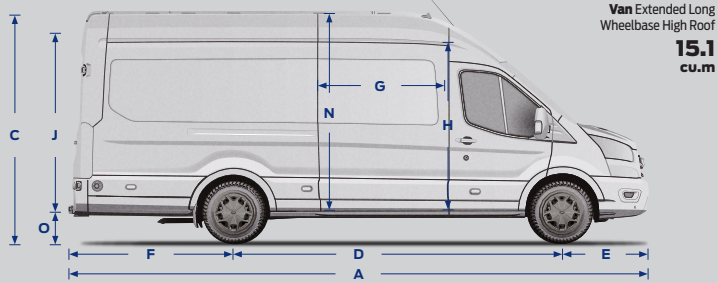

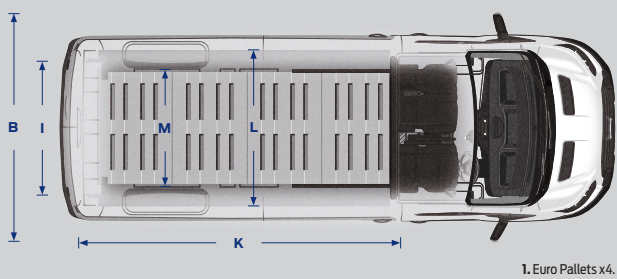

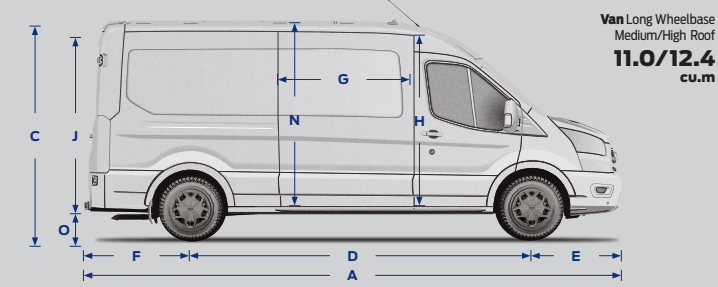

Side Wind Stabilisation³
Helps the driver to stay in lane in strong, gusty conditions by using the ESC system to sense when the vehicle is being affected by crosswinds.

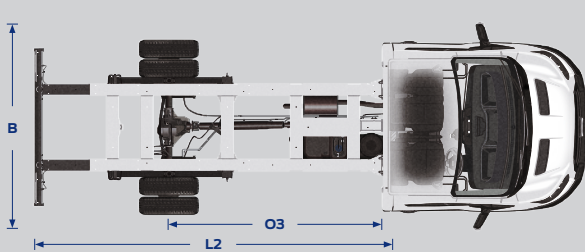

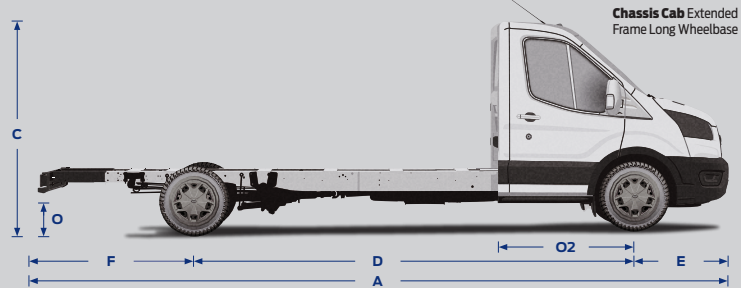

FordPass Connect – Embedded Modem^{6&7}
All new Ford Transit Vans will arrive with a built-in FordPass Connect modem, bringing a whole range of new and convenient features. Advanced features will let you control and monitor your Ford Transit from wherever you are; use your phone to locate your vehicle, lock and unlock the doors, and even start the engine remotely to heat or cool the cabin to the last known setting.

Max. braked trailer plate	2,800	2,800	2,800	2,400	2,400

Eurolallet - 1,200mmx800mm
* Height dimensions show a range from min. to max. of a fully laden, lowest payload vehicle to unladen highest payload vehicle. These illustrations are for guidance only. All dimensions (shown in mm) are subject to manufacturing tolerances and do not include additional equipment. **SRW** - Single Rear Wheel. **DRW** - Dual Rear Wheel. **VDA** - This is the method used by the Verband der Automobilindustrie (VDA) in Germany. A VAD figure is determined by filling the load space with 'litre' blocks, each measuring 200x100x50mm. The blocks are then counted, and the numerical result is converted into cubic meters. The actual weight will always be subject to manufacturing tolerances which may result in payload variations between this guide and actual weight. If intending to load the vehicle close to the maximum payload, we suggest a margin of 5% to Kerb Mass figure to reduce risk of overloading.
** All chassis cab variants kerb mass weights are less float/tray. Addition of float/tray will affect payload.

*Overseas model shown.

1. Not all SYNC® 3 features are compatible with all phones, for full compatibility list see www.ford.co.nz/sync. 2. Apple/CarPlay/ Android Auto requires phone with compatible version of Apple iOS/ Android™ (as applicable), active data service, and connection cable (sold separately). Sync® does not control Apple CarPlay / Android Auto™ while in use. Apple/ Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Apple Maps, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford AppLink® is available on selected Sync® models and is compatible with select smartphone platforms. 3. Driver-assistance features are supplemental and do not replace the driver's judgement. Function may not operate in some driving and road conditions or adverse weather. 4. Auto Stop/Start will not occur in all situations. 5. Regular Production options are available at additional cost. 6. Use of FordPass is subject to the FordPass Terms and Privacy Policy and the Connected Vehicle Terms and Privacy Policy available on ford.co.nz/FordPass and requires a compatible mobile device, internet access and software (including software updates from time to time). You are responsible for internet access, mobile network data and voice call services required for your use of the FordPass App on your mobile device, including associated fees. The FordPass App can only work when connected to the telecommunications network. Ford cannot guarantee that FordPass will be in fully operating condition at all times and the FordPass App may be unavailable or particular FordPass services interrupted. Ford is not responsible for any limitations or restrictions of the telecommunications network or of your mobile device. FordPass App appearance as at July 2020 with minimum iOS 12.0 software or later and compatible device. 7. Remote Vehicle Start and Stop on Automatic variants only. Use responsibly and only in well ventilated areas where you are aware of your vehicle's surroundings. Vehicle Locator only available when Vehicle Location setting is on. 8. Bluetooth® is a registered trademark of Bluetooth SIG, Inc. and is under licence. Some phones not compatible. 9. Proper functioning requires use of Diesel Exhaust Fluid (AdBlue®) which must be refilled periodically. 10. Maximum towing capacity using a Genuine Ford tow pack. To comply with these limits, occupants and / or luggage may need to be restricted. For further details regarding passenger and luggage restrictions, please consult your authorised Ford Dealer and / or refer to the Owner's Manual. 11. ACC has a minimum operating speed of 30km/h.

- Warranty conditions and exclusions apply. 5 year/150,000 km Ford Express New Vehicle Warranty applies to Transit vehicles from 1 September 2018. 5 year/150,000 km Ford Express New Vehicles Warranty applies to demonstrator, dealership and service loaner Transit vehicles first registered by the Authorised Ford Dealer from 1 September 2018. Warranty period commences on the date of delivery except where the vehicle is a dealership, demonstration or service loaner vehicle, in which case it commences on the date on which it was first registered by an Authorised Ford Dealer. Tyres and tyre tubes are excluded. Shock absorbers and batteries are subject to shorter warranty periods. www.ford.co.nz/owners/warranty for further information.
- Conditions apply. Further information on these warranties and services may be obtained from your Authorised Ford Dealer.
- Available annually at participating dealers with scheduled logbook services for up to 7 years (but no later than 30 September 2024). For private, business and fleet customers. For vehicles fitted with SYNC®2 or SYNC®3 satellite navigation.
- Vehicle model availability may vary. Available at participating dealers on scheduled logbook services or overnight warranty repairs. For private, business and fleet customers. Booking required. Participating Dealers may require customers to comply with general usage conditions.

This brochure was designed to provide you with a general introduction to your Transit and was correct at time of going to print. However, Ford's policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer.

Five Year / 150,000 kilometre Warranty
Covers your new Ford Transit vehicle against defects in factory materials or workmanship for the first 60 months.

30,000kms Service Intervals

Normal scheduled service intervals of 30,000kms or every 12 months, whichever comes first.

Ford Roadside Assistance**

For the first 36 months (unlimited kms), Ford gives owners roadside emergency service, including free accommodation or a free rental car.

Ford Customer Assistance Centre

Telephone 0800 367 369

Finance and Lease Options

Fully maintained or non-maintained operating leases remove the worry of depreciation, inflation and do not tie up your capital in an asset. Other forms of financing are also available, including flexible deposits and repayment terms. See your Ford Dealer.
