# Everest

# FREEDOM IS WAITING

The extraordinary Bi-Turbo 10-speed Auto that delivers 157kW of power and 500Nm of peak torque, with greater engine refinement and better fuel economy. The Everest is ready to discover what lies beyond the road's end.

**Big Towing Capacity<sup>9</sup>.**

Be ready for any task, no matter how big. Everest with the new Bi-Turbo diesel engine can now tow even heavier loads with a maximum rated towing capability of 3,100kg.

**Keyless Entry & Push Button Start**

Set off without ever taking the key out of your pocket. Just open the door to unlock the Everest and press a button to start the engine.

**Panoramic Power Sunroof**

Open up your world and experience life under clear blue skies with a glass panoramic sun roof that comprises nearly 50% of the Everest Titanium roof space and a powered sun blind.

**10-Speed Auto Transmission**

Hop in and get out there. Ford's latest transmission technology not only improves fuel efficiency but offers better acceleration and more accurate, quicker gear changes too.

**Safety – Seven Airbags**

Protection is key to your peace of mind. The airbags in the Everest provide a network of protection with front seat driver and passenger airbags and seat-mounted side airbags.

**Bi-Turbo Engine**

Don't settle for less. The new Bi-Turbo engine delivers more power than ever to conquer any terrain. Intelligently managing two turbos for enhanced torque, responsiveness and power.

**Terrain Management System<sup>11, 12</sup>.**

Tackle any surface, on-road or off, at the turn of a dial. Terrain Management System models lets you shift-on-the-fly to maximize traction and stability whether you're on snow, mud, grass, sand, rock or road.

**Pre-Collision Assist with Pedestrian Detection (Autonomous Emergency Braking)<sup>2</sup>.**

This feature is designed to scan the traffic ahead and warn you if it senses the possibility of a collision with traffic or pedestrians. If a collision is likely, it can apply the brakes.

**Hands-Free Power Lift Gate**

Hands full? Simply trigger the sensor under Everest Titanium's rear bumper with a swing of your foot. The hands-free lift gate will open and close automatically.

**SPORT Embossed Leather Accented Seats**

The Everest Sport contains unique seats that are designed to get you and everything you need in comfort.

**Unique Grille and Styling**

Everest Sport is styled with a number of black accents including: Grille, Front & Rear Bumpers, Tailgate Applique, Mirror Caps, Wheels and Roof Rails.

**20" Black Wheels**

Everest Sport is fitted with painted black 20" wheels to create the best looking large SUV.

**Total Comfort**  
The Everest's interior is designed to get you and everything you need comfortably from A to B and beyond.

**Total Comfort**  
The Everest Sport's interior uniquely styled with blue accents.

Extraordinary Capability

The Everest will confidently wade through water up to 800mm deep<sup>13</sup>, and with a high ground clearance of 225mm, it can handle unexpected obstacles. Uphill isn't a battle either, thanks to Hill Launch Assist.<sup>2</sup> And on the way back, Hill Descent Control<sup>2</sup> will cleverly engage the brake system to take you downhill.

Smarter Technology

The Everest has the smarts. Reverse with confidence with a full and clear vision of what's behind you. If it senses there's an obstacle in your way, the rear parking sensors will sound to alert you.<sup>2</sup> If Adaptive Cruise Control with Forward Collision Alert senses slow moving traffic in front, it will slow down the vehicle too,<sup>2</sup> while Lane Departure Warning and Lane Keeping System<sup>2</sup> can help keep you stay on track on long road trips.

ONE EPIC SUV

Our most adventurous SUV, the Ford Everest. Incredibly dynamic on the road and right at home off-roading it. The design is aerodynamic on the outside, while inside the tech is smart and the Bi-Turbo Diesel with 10-speed automatic transmission take the power and fuel efficiency to the next level. So get ready to free your SUV and see what this Everest can really do.

1. Fuel consumption and emissions as per ADR 81/02 (combined cycle) and to be used for vehicle comparison purposes only. It is unlikely that this fuel consumption figure will be achieved in real world driving conditions. Actual fuel consumption will depend on many factors including the driver's habits, prevailing conditions and the vehicle's equipment, condition and use. **2.** Driver assistance features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle. May not operate in some driving and road conditions or adverse weather. **3.** Rear outboard seats only. **4.** Bluetooth® is a registered trademark of Bluetooth SIG, Inc. and is under licence. Some phones not compatible. **5.** Apple™ and Apple CarPlay™ are trademarks of Apple Inc., registered in the U.S. and other countries. Android™, Android Auto™ and Google Maps™ are registered trademarks of Google Inc. Apple CarPlay / Android Auto requires phone with compatible version of Apple iOS / Android™ (as applicable), active data service, and connection cable (sold separately). SYNC® does not control Apple CarPlay / Android Auto while in use. Apple / Google and other third parties are responsible for their respective functionality. **6.** Not all SYNC® 3 features are compatible with all phones. Ford AppLink® is available on selected SYNC® models and is compatible with select smartphone platforms. Users must download an AppLink-enabled app from the usual store to your iOS or Android smartphone. Requires phone to be connected to SYNC® 3 with a genuine USB cable (Apple devices) or Bluetooth® (Android devices). **7.** Proper functioning requires use of Diesel Exhaust Fluid (AdBlue®) which must be refilled periodically. **8.** Kerb mass includes the vehicle with a full tank of fuel, without occupants, luggage or cargo and with all standard equipment. Additional weight of optional features must be taken into account when calculating kerb mass. **9.** Maximum towing capacity using a Genuine Ford tow pack. To comply with these limits, occupants and / or luggage may need to be restricted. For further details regarding passenger and luggage restrictions, please consult your authorised Ford Dealer and / or refer to the Owner's Manual. **10.** Payload is defined as the Gross Vehicle Mass minus the kerb mass. Payload is the maximum combined value of occupants, cargo, added options, added structures and tow ball download (when towing). GVM must not be exceeded. **11.** The driver is responsible for assessing off-road situations, determining if the terrain is passable and using appropriate off-road driving techniques. **12.** To activate Rock mode, the vehicle must be stationary and in 4WD low range. Mud, Grass or Snow mode does not replace the need to fit chains if required. **13.** Maintaining a steady speed of not more than 7km/h.

- \* Warranty conditions and exclusions apply. 5 year/Unlimited km Ford Express New Vehicle Warranty applies to vehicles from 1 July 2018. 5 year/Unlimited km Ford Express New Vehicles Warranty applies to demonstrator, dealership and service loaner vehicles first registered by the Authorised Ford Dealer from 1 July 2018. Warranty period commences on the date of delivery except where the vehicle is a dealership, demonstration or service loaner vehicle, in which case it commences on the date on which it was first registered by an Authorised Ford Dealer. Tyres and tyre tubes are excluded. Shock absorbers and batteries are subject to shorter warranty periods. [www.ford.co.nz/owners/warranty](http://www.ford.co.nz/owners/warranty) for further information.
- \*\* Conditions apply. Further information on these warranties and services may be obtained from your Authorised Ford Dealer. Available annually at participating dealers with scheduled logbook services for up to 7 years (but no later than 30 September 2024). For private, business and fleet customers. For vehicles fitted with SYNC®2 or SYNC®3 satellite navigation. Vehicle model availability may vary. Available at participating dealers on scheduled logbook services or overnight warranty repairs. For private, business and fleet customers. Booking required. Participating Dealers may require customers to comply with general usage conditions.
- \*\*\* The 2.0L Diesel TDCi engine is fitted with an oil life monitoring (IOLM) system that informs the driver when the engine oil life is depleted and requires changing. Depending on how the vehicle is driven, the engine oil and oil filter may require changing before the vehicle's maximum scheduled service interval, which is 15,000km or 12 months (whichever occurs first). Please contact your local dealer for more details.

This brochure was designed to provide you with a general introduction to your Everest and was correct at time of going to print. However, Ford's policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer.
