Live Life To The Fullest

The Ford Ranger is the pick-up truck always ready to work or play, with the power and capability for the toughest jobs, it also has the comfort and smart safety features you want for your family.

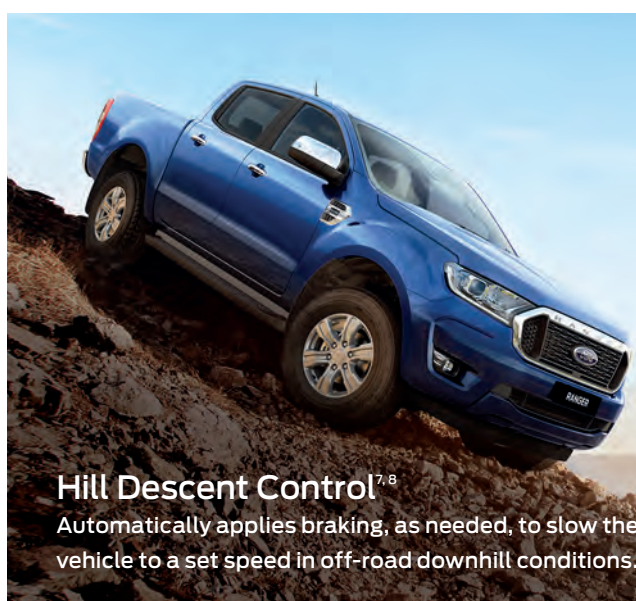

3.5 TONNE TOWING

With up to 3,500kg¹ braked towing capacity and 6,000kg gross combined mass in conjunction with Trailer Sway Control,⁷ you'll be able to handle big loads with Ford Ranger.

Power Roller Shutter

Standard on Wildtrak, the power-operated roller shutter offers improved security and protection from the elements, easily operated from the key fob, dash or inside the tray.

Hill Descent Control^{7,8}

Automatically applies braking, as needed, to slow the vehicle to a set speed in off-road downhill conditions.

RANGER WILDTRAK X

Ready for adventure, Ranger Wildtrak X is packed with accessories and added value. The Wildtrak X is not for the faint hearted.¹⁶

800MM WATER WADING

Ranger can take you just about anywhere you need to go, with a river-taming 800mm water wading capability.¹³ Ranger makes sure there's very little that can come between you and getting the job done.

Tailgate with Lift Assistance

Load your Ranger with greater ease, thanks to a cleverly-designed torsion rod that means the tailgate takes 70% less effort to close.²

When your truck doubles as your office, smart design makes all the difference. The Ranger comes standard with heaps of tech to make your life easier and safer.

A. Traffic Sign Recognition ⁷

The forward-facing camera can automatically detect the current speed limit (when activated), then displays this on the instrument cluster. It can even provide a visual warning if you exceed the detected speed limit.

B. Autonomous Emergency Braking (AEB) with Pedestrian Protection⁷

In speeds over 3.6km/h, Autonomous Emergency Braking (AEB) with Pedestrian Protection is designed to help detect if the car in front has unexpectedly stopped or a pedestrian steps out onto the road, and can automatically apply the brakes.

C. Active Park Assist ⁷

Helps you find the right size parallel parking space and automatically steers itself in for a perfect park. Ford Ranger is the first in the Pick-up segment to offer Active Park Assist.

D. Leather Accented Seats

There’s nothing quite like the smell and feel of premium leather accented seats, which come standard in Wildtrak and FX4 models.

E. Apple CarPlay™ & Android Auto™ ⁴

Connect your compatible smartphone for hands-free control of your favourite apps. Use voice commands to look up destinations, make phone calls or listen to messages.

Adaptive Cruise Control⁷

If traffic slows in front of you, Adaptive Cruise Control can automatically slow to maintain a pre-set distance. Once traffic clears, it returns to your cruising speed.

Tough Done Smart

The Ranger is one tough truck, but it certainly doesn't feel like it. Inside the cabin, you'll find a world of high-end features and premium fittings.

SYNC®3⁶ with 8" Touchscreen

SYNC®3 is a fully integrated voice-activation¹¹ system that lets you connect your compatible smartphone, play your favourite music, and stay on track with the integrated Sat Nav system.¹¹

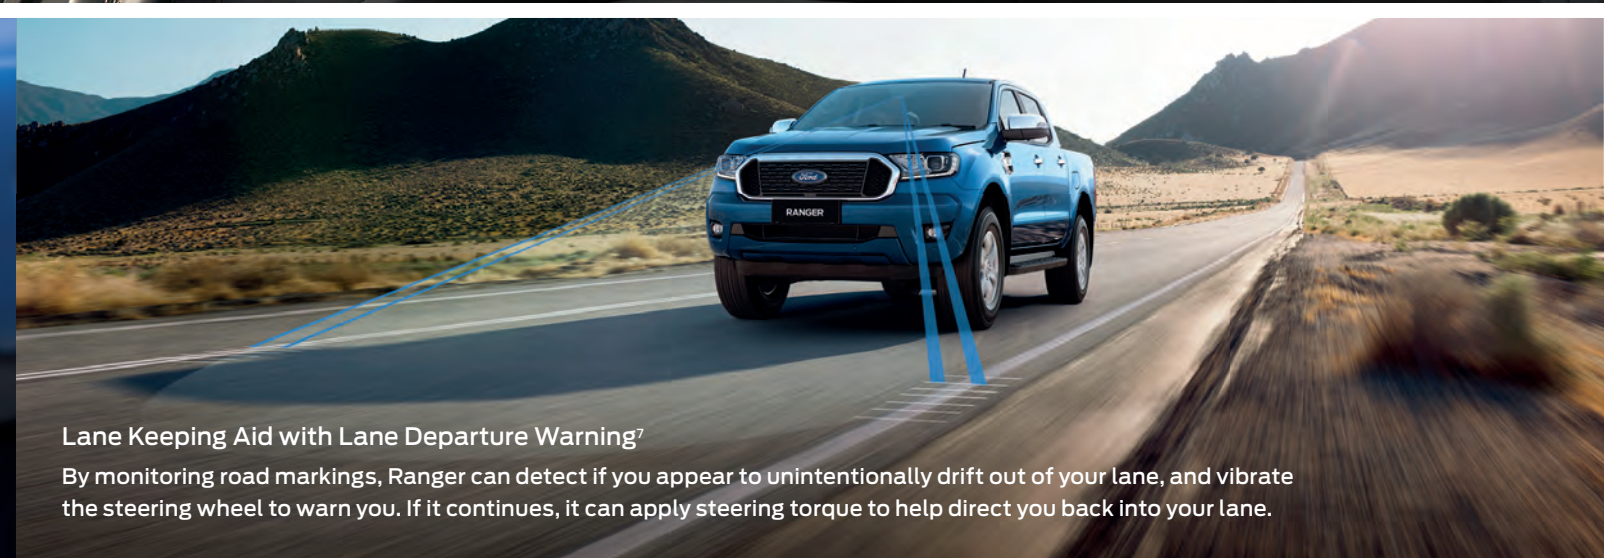

Technology Designed To Keep You Safe & Secure

Ford Connectivity

Every Ranger now comes fitted with an embedded modem known as FordPass Connect. Using the FordPass App on your smartphone⁹ you can locate your vehicle, lock and unlock the doors, and even start the engine remotely.¹⁰

Our Commitment to You

Convenience. Reliability. And no nasty surprises. That's what service should be. And that's exactly what Ford promises when you have your car serviced. Feel at ease knowing that your car is being serviced by factory trained technicians using specialised diagnostic equipment. After all, nobody knows your Ford better than we do.

Five Year / 150,000 Kilometre Warranty

Covers your new Ford Ranger vehicle against defects in factory materials or workmanship for the first 60 months or when the total distance travelled by your new Ford Ranger vehicle reaches 150,000 kilometres - whichever occurs first.¹ For details about this warranty please visit: www.ford.co.nz/owners/warranties

Ford Roadside Assistance²

For the first 36 months (unlimited kms), Ford gives Ranger owners complete peace of mind motoring with New Zealand's most reassuring roadside emergency service. Free accommodation or a free rental car are just some of the outstanding features of this unique service.

Service Experience

Speak to your participating Ford Dealer today about how we can help you make the most out of your vehicle experience.

Service Intervals²

Improved oil technology and engineering refinement has enabled Ford to offer normal scheduled service intervals of 15,000kms or every 12 months or indicated by Oil Life Monitoring System (IOLM), whichever comes first.

Loan Car Programme⁴

So we can keep you on the road when you're getting a scheduled service you can take advantage of our Loan Car Programme.

Sat Nav Map Updates³

Never lose your way again with the latest map data for your Satellite Navigation system. If your vehicle has SYNC® 2 or SYNC® 3 with Satellite Navigation, you'll receive yearly map updates until September 2024 with your scheduled servicing.

Ford Customer Assistance Centre

You'll always find us responsive to your needs. Telephone 0800 FORD NZ (0800 367 369).

Finance and Lease Options

Choosing how to finance your vehicle is a major decision. My Ford Finance can get you the Ford you want, when you want it. Fully maintained or non-maintained operating leases remove the worry of depreciation, inflation and, more importantly, do not tie up your capital in an asset. Other forms of financing are also available. Flexible deposits and repayment terms mean that a plan can be structured for your specific needs. See your Ford Dealer to discuss your financing or leasing requirements.
