# FUNCTIONAL DESIGN EVOLVED

We're passionate about the performance of your vehicle, and your business. That's why we went further with a next-generation 2.0L TDCi diesel engine, and a 6-speed automatic transmission in the Transit Custom Van. We also went further with advanced safety technology and intuitive voice-activation.

## Notes

**See What You Can't See<sup>1</sup>**

Blind Spot Information System (BLIS) is designed to detect when a vehicle enters your blind spot and alerts you with a warning light in your side mirror.

**Ford SYNC®<sup>3,3</sup>**

Ford SYNC®3 intergrates seamlessly with your compatible smartphone, letting you control everything from calls and text messaging to music and satellite navigation – all via the 8" touchscreen, the simplest voice commands or via AppLink, Apple CarPlay and Android Auto.

**Pre-Collision Assist<sup>1</sup>**

The Forward Collision Warning will alert you if it predicts an accident. If you don't react, the Autonomous Emergency Braking (AEB) system and Dynamic Brake Support will automatically apply the brakes to help avoid or mitigate a collision.

**Heated Seats**

Combat cold early mornings and chilly late nights with the push of a button. Heated seats come standard across the Transit Custom models for the driver and front passenger.

**Retractable Roof Racks**

Intelligent design allows for a highly functional and versatile load space which ensures that your Transit is more ready than ever for work.

**Reverse Camera and Front & Rear Sensors<sup>1</sup>**

Select reverse and the image from the rear-view camera is displayed automatically. Marker lines overlaid on the camera image indicate where the vehicle is heading.

2.0L TDCi Engine

Get even more power with the Euro 6 certified high performance 2.0L TDCi diesel engine, standard on all models. It's not just improved power and torque, we've also raised the bar on efficiency and emissions standards.

6-Speed Automatic

A versatile and smooth 6-speed automatic transmission is standard on all models.

Driving with AdBlue®

To operate, the 2.0L TDCi diesel engine must be filled with AdBlue® fluid which is designed to convert harmful NOx exhaust emissions into Nitrogen and water. Systems warnings illuminate when fluid level becomes too low. For more information, please discuss with your Ford Dealer.

1. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate in some driving and road conditions (including at certain speeds) or adverse weather. 2. Not all SYNC® and SYNC®3 features are compatible with all phones. For compatibility, see [ford.co.nz/sync](#). 3. Apple CarPlay / Android Auto requires phone with compatible version of Apple iOS / Android™ (as applicable), active data service, and connection cable (sold separately). SYNC® does not control Apple CarPlay / Android Auto while in use. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford AppLink® is available on selected SYNC® models and is compatible with select smartphone platforms. 4. When fitted with a genuine Ford towbar. 5. The declared fuel consumptions and CO2 emissions are measured according to the technical requirements and specifications of European Directive 80/1268/EEC or the European Regulation (EC) 715/2007 amended by (EC) 692/2008. Fuel consumption and CO2 emissions are specified for a vehicle type and not for a single vehicle. The applied standard test procedure enables a comparison between different vehicle types; the specification and options selected may have an effect i.e. on vehicle weight and therefore on the emissions and fuel economy of the vehicle and also may influence the figures that appear in the individual vehicle documentation. This information is not part of any product offer made. Real world fuel consumption can vary as the fuel efficiency of a vehicle is influenced by (individual) vehicle configurations, driving behaviour, use of technical equipment such as air conditioning, as well as other non-technical factors. 6. ACC has a minimum operating speed of 30km/h. 7. Bluetooth® is a registered trademark of Bluetooth SIG, Inc. and is under license. Some phones not compatible. 8. Load space show as SAE (measured in cubic metres). The SAE method measures the volume of a fine-grained material, such as sand, which can be deposited in to the load space. 9. Weight of the vehicle occupants, vehicle options including fitout, accessories, modifications, cargo and towball downforce need to be included in the calculation of payload weight.

## Our Commitment to You

Convenience. Reliability. And no nasty surprises. That's what service should be. And that's exactly what Ford promises when you have your car serviced. Feel at ease knowing that your car is being serviced by factory trained technicians using specialised diagnostic equipment. After all, nobody knows your Ford better than we do.

### Five Year / 150,000 Kilometre Warranty

Covers your new Ford Transit vehicle against defects in factory materials or workmanship for the first 60 months or when the total distance travelled by your new Ford Transit vehicle reaches 150,000 kilometres - whichever occurs first! For details about this warranty please visit: [www.ford.co.nz/owners/warranties](http://www.ford.co.nz/owners/warranties)

### Ford Roadside Assistance<sup>2</sup>

For the first 36 months (unlimited kms), Ford gives Transit owners complete peace of mind motoring with New Zealand's most reassuring roadside emergency service. Free accommodation or a free rental car are just some of the outstanding features of this unique service.

## Service Experience

Speak to your participating Ford Dealer today about how we can help you make the most out of your vehicle experience.

### 30,000 kms Service Intervals<sup>2</sup>

Improved oil technology and engineering refinement has enabled Ford to offer normal scheduled service intervals of 30,000 kms or every 12 months, whichever comes first.

### Loan Car Programme<sup>4</sup>

So we can keep you on the road when you're getting a scheduled service you can take advantage of our Loan Car Programme<sup>4</sup>.

### Sat Nav Map Updates<sup>3</sup>

Never lose your way again with the latest map data for your Satellite Navigation system. If your vehicle has SYNC<sup>®</sup> 2 or SYNC<sup>®</sup> 3 with Satellite Navigation, you'll receive yearly map updates until September 2024 with your scheduled servicing.

### Ford Customer Assistance Centre

You'll always find us responsive to your needs. Telephone 0800 FORD NZ (0800 367 369).

## Finance and Lease Options

Choosing how to finance your vehicle is a major decision. My Ford Finance can get you the Ford you want, when you want it. Fully maintained or non-maintained operating leases remove the worry of depreciation, inflation and, more importantly, do not tie up your capital in an asset. Other forms of financing are also available. Flexible deposits and repayment terms mean that a plan can be structured for your specific needs. See your Ford Dealer to discuss your financing or leasing requirements.

1. Warranty conditions and exclusions apply. 5 year/150,000 km Ford Express New Vehicle Warranty applies to Transit vehicles from 1 September 2018. 5 year/150,000 km Ford Express New Vehicles Warranty applies to demonstrator, dealership and service loaner Transit vehicles first registered by the Authorised Ford Dealer from 1 September 2018. Warranty period commences on the date of delivery except where the vehicle is a dealership, demonstrator or service loaner vehicle, in which case it commences on the date on which it was first registered by an Authorised Ford Dealer. Tyres and tyre tubes are excluded. Shock absorbers and batteries are subject to shorter warranty periods. [www.ford.co.nz/owners/warranty](http://www.ford.co.nz/owners/warranty) for further information.
2. Conditions apply. Further information on these warranties and services may be obtained from your Authorised Ford Dealer.
3. Available annually at participating dealers with scheduled logbook services for up to 7 years (but no later than 30 September 2024). For private, business and fleet customers. For vehicles fitted with SYNC<sup>®</sup>2 or SYNC<sup>®</sup>3 satellite navigation.
4. Vehicle model availability may vary. Available at participating dealers on scheduled logbook services or overnight warranty repairs. For private, business and fleet customers. Booking required. Participating Dealers may require customers to comply with general usage conditions.

This brochure was designed to provide you with a general introduction to your Transit and was correct at time of going to print. However, Ford's policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer.
