FUNCTIONAL DESIGN EVOLVED

We're passionate about the performance of your vehicle, and your business. That's why we went further with a next-generation 2.0L TDCi diesel engine, and a Plug-In Hybrid in Transit Custom Van. We also went further with advanced safety technology and intuitive voice-activation.

Notes

See What You Can't See ⁴
Blind Spot Information System (BLIS) is designed to detect when a vehicle enters your blind spot and alerts you with a warning light in your side mirror.

Ford SYNC[®]3 ^{1, 2}
Ford SYNC[®]3 integrates seamlessly with your compatible smartphone, letting you control everything from calls and text messaging to music and satellite navigation – all via the 8" touchscreen, the simplest voice commands or via AppLink, Apple CarPlay and Android Auto.

Pre-Collision Assist ⁴
The Forward Collision Warning will alert you if it predicts an accident. If you don't react, the Autonomous Emergency Braking (AEB) system and Dynamic Brake Support will automatically apply the brakes to help avoid or mitigate a collision (Diesel powertrain only).

Transit Custom Plug-In Hybrid ¹⁶
Combining zero-emission driving capability and no range anxiety. The first-in-class Transit Custom Plug-in Hybrid van can be charged with mains electricity for pure electric driving range of up to 41kms and more than 500km total range using the 1.0-litre EcoBoost petrol engine range extender.

FordPass Connect - Embedded Modem ^{9, 10}
All new Ford Transit Custom will arrive with a built-in FordPass Connect modem, bringing a whole range of new and convenient features. Advanced features will let you control and monitor your Ford Transit Custom from wherever you are; use your phone to locate your vehicle, lock and unlock the doors, and even start the engine remotely to heat or cool the cabin to the last known setting.

Reverse Camera and Front & Rear Sensors ⁴
Select reverse and the image from the rear-view camera is displayed automatically. Marker lines overlaid on the camera image indicate where the vehicle is heading.

2.0L TDCi Engine
Get even more power with theEuro 6 certified high performance 2.0L TDCi diesel engine, standard on all models. It's not just improved power and torque, we've also raised the bar on efficiency and emissions standards.

6-Speed Automatic
A versatile and smooth 6-speed automatic transmission is standard on all diesel models.

Driving with AdBlue[®]
To operate, the 2.0L TDCi diesel engine must be filled with AdBlue[®] fluid which is designed to convert harmful NOx exhaust emissions into Nitrogen and water. Systems warnings illuminate when fluid level becomes too low. For more information, please discuss with your Ford Dealer.

Max. braked trailer plate	1,800	N/A	1,800	2,150	1,800

Euro pallet - 1,200mmx800mm
* Height dimensions show a range from min. to max. of a fully laden, lowest payload vehicle to unladen highest payload vehicle. These illustrations are for guidance only. All dimensions (shown in mm) are subject to manufacturing tolerances and do not include additional equipment. VDA - This is the method used by the Verband der Automobilindustrie (VDA) in Germany. A VAD figure is determined by filling the load space with 'litre' blocks, each measuring 200x100x50mm. The blocks are then counted, and the numerical result is converted into cubic meters. The actual weight will always be subject to manufacturing tolerances which may result in payload variations between this guide and actual weight. If intending to load the vehicle close to the maximum payload, we suggest a margin of 5% to Kerb Mass figure to reduce risk of overloading.

1. Not all SYNC® 3 features are compatible with all phones, for full compatibility list see www.ford.co.nz/sync. 2. Apple/CarPlay/ Android Auto requires phone with compatible version of Apple iOS/ Android™ (as applicable), active data service, and connection cable (sold separately). Sync ® does not control Apple CarPlay / Android Auto™ while in use. Apple/ Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Apple Maps, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford AppLink ® is available on selected Sync ® models and is compatible with select smartphone platforms. 3. Sealed load floor liner and the full height dashboard not available on Double Cab in Van models. 4. Driver-assistance features are supplemental and do not replace the driver's judgement. Function may not operate in some driving and road conditions or adverse weather. 5. The Tyre Pressure Monitoring System is not a substitute for manually checking your tyre pressure. TPMS available on Transit Custom Sport models only. For more precise measurements, use a tyre gauge to check your tyre pressure at least once a month. Failure to properly maintain tyre pressure can increase the risk of tyre failure, loss of control, vehicle rollover and personal injury. 6. Auto Stop/Start will not occur in all situations. 7. Load Floor Liner not available on DCiV. 8. Regular Production options are available before date of manufacture. 9. Use of FordPass is subject to the FordPass Terms and Privacy Policy and the Connected Vehicle Terms and Privacy Policy available on ford.co.nz/ FordPass and requires a compatible mobile device, internet access and software (including software updates from time to time). You are responsible for internet access, mobile network data and voice call services required for your use of the FordPass App on your mobile device, including associated fees. The FordPass App can only work when connected to the telecommunications network. Ford cannot guarantee that FordPass will be in fully operating condition at all times and the FordPass App may be unavailable or particular FordPass services interrupted. Ford is not responsible for any limitations or restrictions of the telecommunications network or of your mobile device. FordPass App appearance as at July 2020 with minimum iOS 12.0 software or later and compatible device. 10. Remote Vehicle Start and Stop on Automatic variants only. Use responsibly and only in well ventilated areas where you are aware of your vehicle's surroundings. Vehicle Locator only available when Vehicle Location setting is on. 11. Bluetooth® is a registered trademark of Bluetooth SIG, Inc. and is under licence. Some phones not compatible. 12. Proper functioning requires use of Diesel Exhaust Fluid (AdBlue®) which must be refilled periodically. 13. Maximum towing capacity using a Genuine Ford tow pack. To comply with these limits, occupants and / or luggage may need to be restricted. For further details regarding passenger and luggage restrictions, please consult your authorised Ford Dealer and / or refer to the Owner's Manual. 14. ACC has a minimum operating speed of 30km/h. 15. Rear Outboard Seats Only. 16. Tested with a full battery charge. Up to 41kms of electric-only range based on results from the Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Actual range varies with conditions, such as external elements, driving behaviours, vehicle maintenance, and lithium-ion battery age. 17. Tailgate w/ Rear Wash/Wipe not available with High Roof Option on LWB van.

1. Warranty conditions and exclusions apply. 5 year/150,000 km Ford Express New Vehicle Warranty applies to Transit vehicles from 1 September 2018. 5 year/150,000 km Ford Express New Vehicles Warranty applies to demonstrator, dealership and service loaner Transit vehicles first registered by the Authorised Ford Dealer from 1 September 2018. Warranty period commences on the date of delivery except where the vehicle is a dealership, demonstration or service loaner vehicle, in which case it commences on the date on which it was first registered by an Authorised Ford Dealer. Tyres and tyre tubes are excluded. Shock absorbers and batteries are subject to shorter warranty periods. www.ford.co.nz/owners/warranty for further information. 2. Conditions apply. Further information on these warranties and services may be obtained from your Authorised Ford Dealer. 3. Available annually at participating dealers with scheduled logbook services for up to 7 years (but no later than 30 September 2024). For private, business and fleet customers. For vehicles fitted with SYNC®2 or SYNC®3 satellite navigation. 4. Vehicle model availability may vary. Available at participating dealers on scheduled logbook services or overnight warranty repairs. For private, business and fleet customers. Booking required. Participating Dealers may require customers to comply with general usage conditions.

This brochure was designed to provide you with a general introduction to your Transit and was correct at time of going to print. However, Ford's policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. FORD MOTOR COMPANY OF NEW ZEALAND LIMITED, Private Bag 76-912, Manukau City, New Zealand. Printed September 2021. FONZWK0136
